FOOTBALL JAMBOREE HELD IN WAREHAM

Local high school football is off to a great pre-season start as teams from Fairhaven, Dartmouth and Old Rochester joined the host Wareham team in the annual Football Jamboree. The event took place under ideal conditions Saturday night under the lights of the Viking field. An enormous turnout of fans filled the stadium under a near full moon on the comfortably warm late summer night. The interest of football fans in their respective teams was rewarded with an exciting contest. Not until the final 2 minutes was the game won and that was the touchdown from a long pass from Viking Quarterback Art Carey to receiver Joe Canute.

The first quarter paired Wareham Vikings against Dartmouth. Naturally, in the pre-season, the defensive teams have the advantage and the first quarter was a defensive duel. Dartmouth was able to move the ball just consistently enough to control it for almost the entire quarter. The Viking defense was just stubborn enough to prevent a score. Old Rochester took over in the second period deep in their own territory with Dartmouth on the move. The Bull-

dog defense was as stubborn as the name implies. They held and took over. The whole second quarter was head-to-head defensive battle, neither side being quite able to sustain a successful drive. In the third quarter, however, Old Rochester backs began to move against Fairhaven's Blue Devils consistently well. They marched to the 8-yard line, where back Bill Knapton scored to give OR and Wareham a 6 to 0 lead. Quarterback Tim Reilly's attempted kick for the extra point was blocked by a swarm of Blue Devils. Fairhaven then began a drive which was to knot the score at 6 to 6. Steve Alves ran hard from the 21 and was nipped on the 1. Jeff Dupont plunged over from there to tie it up. The kick by Bill Souza was wide of the uprights.

After receiving, the Bulldogs tried a series of passes. In spite of porous protection, quarterback Reilly threw accurately but the receivers could not reach or hang on to the ball. Finally, in one last gamble, at the close of the third quarter, Reilly threw the "bomb" which was gathered in by the Blue Devils giving them great field position as Wareham came in to take over. The Fairhaven team then proceeded to take advan-

tage of this by going to the air against the Vikings. The O.R.-Wareham side was handed a big break when a clipping penalty against Fairhaven nullified a touchdown pass from Jeff Valerio to halfback Bob Pease. He plucked the ball out of the air and scampered in for the prettiest pass play of the evening but it didn't count.

The climax of the game was a thriller. In the final 2 minutes Wareham unlimbered a passing attack. Quarterback Art Carney lofted a high, wobbling floater that was latched onto by Joe Canute far downfield on the 10. He broke one tackle and powered in to score the clincher. Les Morrison kicked the extra point to give the Bulldog-Viking team a 13 to 6 victory and break a 3-year string of victories by the Dartmouth-Fairhaven team. Old Rochester-Wareham won the first five.

previous years, there will be this year several new ones. The group which used to be called the "American Home" is now the "American Heritage Tours" and will do just that - tour points of interest which can be reached within a couple of hours, enjoy lunch at some well-recommended restaurant and return home in the afternoon. The group's first tour will be to Newport, Rhode Island on September 30th. Anyone interested should call Mrs. Benjamin Brintnall.

The new "American Home" group will be devoted more to homemaking. Under the leadership of Mrs. John Moynihan, the women plan to explore decorating, sewing, food, etc. The first meeting will be held at Mrs. Moynihan's home on Monday, September 28th, at 9:30 A.M.

And the addition this year of a "Garden Group" under the chairmanship of Mrs. Victor Twiraga will answer the requests of a number of members who want and need information on all sorts of gardening problems, or who just want to learn. Mrs. Twiraga will speak at the first meeting which will be held at 9:30 A.M. at her home on September 16th. The subject will be the procedure for winter-forcing bulbs, preparation of soil and starting begonias from seed. Future programs will cover the art of drying flowers, flower arranging and the arranging of available materials such as dried weeds and greens, and starting plants from cuttings. Mrs. Twiraga has a wealth of information at her fingertips and works on the theory that "no one is born with a green thumb; a green thumb must be cultivated."

Reminders that: the "Antique Study" group with Mrs. Ralph Dunn and Mrs. James Harris, co-chairmen, will have their first meeting on October 6th, first at the "1812 House" at 7:30 P.M. for a tour and then at Mrs. Dunn's for refreshments and to plan future programs.

"Arts and Crafts" will meet on September 21st at 7:30 P.M. at the home of Mrs. David Todd, Jr. Mrs. Todd and Mrs. George L. Henshaw have some very interesting plans for the year and will start off by leading the group in making yarn flowers.

Bowling starts as soon as teams can be formed. Call Mrs. Anthony Sylvia, Mrs. Archibald Lammey or Mrs. Edward McCarthy to sign up.

Beginning bridge players, call Mrs. Roger Morris to join - call by September 30th. Ad-

LABOR DAY RACES

The racing season came to a close at the Mattapoisett Yacht Club Sunday, September 6th, with the annual Labor Day Races. Three special contests were scheduled: a Ladies' Race in the morning, and in the afternoon a Tired Fathers' Race and a Corinthian Solo Race.

In the Ladies' Race four Beetle Cats, skippered by Sue McGowan, Carol McCarthy, A. Boucher and E. Boucher, sailed to Barnard's Wharf MYC guide buoy, to Town Anchorage MYC guide buoy, to Shining Tides MYC guide buoy, and finish. Sue McGowan in Hep Cat II defeated Carol McCarthy in Blue Cloud and A. Boucher in Agamemnon. All four boats, incidentally, crossed the finish line in a sequence of approximately 2-minute intervals, starting with 26:10 and ending with 32:30.

Oxygen Giver

A blade of grass.

Using the rays of the sun as its source of energy, grass synthesizes carbon dioxide, water and minerals to promote green growth. In the process, it takes pollutants from the air, filters out dust particles, and gives off oxygen in return.

In fact, actively growing grass on a 50 by 50 ft. plot releases enough oxygen to meet the needs of a family of four, day by day.

The world needs more such greenery.

Come to The Ball!

WHALER'S BALL

"Put your backs into it, you rascals!" called the captain from the deck as the long boats were lowered. "Get me that whale!" And, pull they did, climaxing an event they had anticipated for months and for which they had traveled far.

Putting their backs into an event anticipated for months in Mattapoisett are the people who are active on the several committees planning "The Whalers' Ball", Saturday, September 19th, from 9 P.M. until 1 A.M. at The Shining Tides.

A twelve-foot white whale, a large mural of a whaling scene, and limes to keep the scurvy away are among the outstanding decorations and special effects designed for the costume ball, sponsored by the Mattapoisett Historical Society.

Under the chairmanship of Dr. Donald L. Nahigyan, the various committees are staffed as follows:

WATCH THE THERMOMETER AT SHIPYARD PARK

The Mattapoisett Band Committee is pleased to announce that the index on the thermometer at the site of the old bandstand is now registering at the $4,000 mark, which realistically is 2/3 of the goal. The goal of $6,000 is necessary to complete the construction of an attractive, well-planned bandstand to accommodate some 48 to 50 musicians. Included in the planning is the underground storage area for the same number of folding seats. In an endeavor to finish the major portion of the construction this fall, the committee reminds everyone to mail in their contribution to: Mattapoisett Bandstand Committee, P. O. Box 109, Mattapoisett. Those who feel they have been overlooked by solicitors may not have been home at the time a worker called. If there are persons who care to donate a few hours of their time to help with solicitations, men as well as women, they will be most welcome to join the list. It is suggested they contact Mrs. Louis Corey, 758-2770, or Mrs. Alden Kinney, 758-6621.

At present, the list of workers are: Mrs. James H. Hinman, Mrs. Robert Tinkham, Mrs. Roger Morris, Mrs. George W. Smith, Jr., Mrs. Clayton King, Mrs. Victor Twiraga, Mrs. John G. Gannon, Mrs. George C. Waterston, Mrs. Clarence Fountain, Mrs. F. L. Dixon Yard, Mrs. Nathan Flood, Mrs. Charles Crowley, Mrs. Beatrice Ingram and Mrs. Ray Bradley. Commemorative

gifts continue to be displayed at the following places of business: Nelson's Beauty Shop, The Boutique, Kay's Knit 'N Sew Shop, the Village Delicatessen, and the Symphony Shop.

As it has been publicized at the outset of the campaign to raise money to build a new and better bandstand, donors contributing $10.00 or more are presented with a "token of appreciation" gift of a set of 4 tiles, 3 of famous local scenes and one of the town seal. Also mentioned was the presentation of a fine walnut finish director chair to donors who contribute $35.00 or more. These have royal blue canvas backs imprinted with a replica of the new bandstand. We hear that these chairs are considered very attractive for the lawn or patio but that owners are seriously considering bringing them indoors this fall for the den or TV room. More recently it was rumored a set of 2 Mattapoisett Bandstand chairs were noted on the deck of a local boat in the Edgartown harbor, reportedly seen by 2 New Bedford visitors on the island.

NOT ALL CERAMIC TILES GET TO BE HOT PLATE MATS!

Some recipients of the commemorative ceramic tiles have come up with some very interesting ideas for displaying them in their homes. The tiles, consisting of the town seal, the Ned's Point lighthouse, the arch bridge at the height of the Fall season plus the 4th tile a replica of the new bandstand after completion, have apparently stirred the imagination of the more artistic as well as the practical people. Already some folks have been busy at work and the highly prized tiles are finding a place mounted in shadow boxes for the wall. Some grace fireplace mantles or find a place in antique frames. Very attractive are those mounted in trays and on coffee tables and end tables. Be that as it may.....with a certainty, they have become something to

The band committee is gratified by the comments expressed in relation to the "token of appreciation gifts" plan adopted. It is believed to be unique in this area. At best, no plan can, in itself, by 100% successful without the complete cooperation of the entire community. So, a reminder to all is in order. LET'S PUSH THE INDEX ON THAT THERMOMETER!

Mr. and Mrs. Lee Wilson of Rock Riner, Ohio were guests of Mrs. Gertrude C. Silveira over Labor Day. It sure was a nice surprise to see them.

They docked their lovely 64-foot yacht at our town wharf. They were very impressed with our town of Mattapoisett, the first time they have visited here, and want to come back some time. We had dinner at the Harbor Beach Club and they were very impressed with the lovely Club and the nice view of the water.

I went down to have breakfast Tuesday morning with them on their yacht. Some of my family visited them also. The Lee Wilsons are in Newport to see the America

week. Fall classes will be in session, giving opportunity to see first hand the wide range of activities and interests for all ages.

On Friday at 8 P.M. the illustrated travelogue, "Dutch West Indies Cruise", will be presented following a business meeting of the Travel Club at 7:30 P.M. Mrs. Mary M. Roderick, president, announces that new members may join the Travel Club at this meeting and that prospective members are welcome to attend the program as guests.

The first trip scheduled for this fall will be on October 4th to Franconia Notch, New Hampshire to see the foliage. The bus will leave the YWCA at 8 A.M. and return at 9 P.M. Reservations for club members may be made now.

USO Junior Volunteer's September activities include dances on every Wednesday and every Saturday at Newport, Rhode Island, YMCA. To be eligible young women must have completed an interview with Mrs. Grace Ay

Young, USO program director, and be a member of the YWCA.

Young women meet at the "Y" at 7 P.M. and transportation to Newport is by private car with a designated fee assessed. Also there is a fee for trip insurance. For details call the "Y".

Regular Sunday dances at Otis Air Force Base and Newport Naval Base will begin in October.

Recent high school graduates, college students and career girls 18 to 25 are invited to consider membership in USO Junior Volunteers. It's fun and the program offers community service that is needed to cheer servicemen away from home.

Young and older women are needed as volunteers to serve as club advisors and leaders in the youth department. For full information call the YWCA and ask for Mrs. Grace Young. The fall program of clubs for young people is available at the main desk, free of charge.

PHOTOGRAPHY EXHIBIT AT ART CENTER

The Marion Art Center presents George N. Phillips' photography September 12 through October 3 in the Cecil Clark Davis Gallery at Main Street.

George Phillips, now a resident of Marion, began photography as an amateur in the 1930's. He was very active in camera club work and served as president of the Los Angeles Camera Club for three years.

In 1935 Mr. Phillips opened a studio in Los Angeles serving such accounts as Walt Disney, Los Angeles Athletic Club, All Year Club of Southern California and various public utilities, motion picture studios and advertising agencies.

George Phillips has had exhibits in London, Paris, Tokyo and many major United States salons.

At the present time the photographer's work is restricted to 35mm slides, using Niken and Leica systems.

Gallery hours are 1 to 5 P.M. Tuesday through Sunday. Admission is free to the Gallery and the public is urged to attend this one-man photography show.
